

# Bugs

**Ant** Industriousness, order and discipline, especially within your community. Fulfill your role in your family, workplace, home town, and world with impeccable commitment and determination.

AU9 1/2 oz \$8.99

**Butterfly** Trust in transformation; go within for guidance. When the caterpillar disappears into the cocoon, does it know it is becoming a butterfly, or does it simply follow its own inner guidance and trust in the Divine outcome? Honor your courage. No matter the appearance, you are right where you belong.

AU11 1/2 oz \$8.99

**Chrysalis** The keeper of Potential and Transformation. Chrysalis holds safe and protects imagination, possibility, creativity, and generativity. For patience and trust in the face of an unknown yet indisputable imperative, and the capacity to fully embrace the experience without understanding the purpose or comprehending the final outcome.

AU10 1/2 oz \$8.99

**Cricket** Stop fiddling your life away. Trust your intuition and personal rhythm enough to take the next leap, knowing you will land safely. Risk singing the song of your spirit. Supports strength and flexibility in the legs.

AU21 1/2 oz \$8.99

**Dragonfly** Instantaneous movement and change; for finding the courage to transform limiting beliefs and boundaries and move beyond illusion into your truth.

AU31 1/2 oz \$8.99

**Firefly** Brings in light to “stitch up” rips and tears in the etheric body that may be caused by trauma, injury, or unhealthy attachments. Helps you discern the difference

between attachment (being emotionally hooked) and connection (when the threads binding you to another are freely chosen, gently held, and willingly released). Firefly lights the path enabling you to maintain awareness of your connections without being attached to them. Keeps your spiritual path clear of unnecessary clutter.

AU41/2 oz \$8.99

**Flea** Release your attachment to the drama of being annoyed by small things. "Small things" CAN be critically important. Flea helps you discern the difference between truly important aspects of your life and irrelevant details that you pay attention to for the sake of "busyness" or due to lack of focus.

AU51/2 oz \$8.99

**Spider** Create your home from within, knowing you are at home wherever you are. Recognize your connection to All That Is through the web of life. Nurture yourself as if you were the quintessential "Mother," persevering and making things right without expectations.

AU61/2 oz \$8.99

**Spider Web** The Web of Life. Honor your life in all ways, recognize your strengths and weaknesses, and keep on keepin' on. The lesson of spider web is the story of humankind: It is transitory yet ever-present, a testament to commitment and diligence, and a thing of great beauty. A single strand of the spider's web is stronger than the same sized strand of steel, yet can be damaged or destroyed in an instant, much like your Earthly life. Your connection to this Web is stronger than you know, and more fragile than you can imagine.

AU81/2 oz \$8.99

**Tick** Embrace your anger. Move through layers of emotion (energy in motion) to your inner joy and reclaim your power to choose your responses to life. Claim and speak your truth in present time. Acknowledge and honor the power and truth in all of your feelings and emotions. Clears old belief systems about "how to act" allowing free emotional expression with integrity.
